PROGRAM INFORMATION: The Associate of Arts (AA) degree is a two-year program made up of general education courses.

CAREER OPTIONS: The Associate of Arts degree is designed to transfer and therefore does not qualify students for any specific career; however, completion of an associate degree will improve overall employability and will make students eligible for employment opportunities that require an associate level degree.

TRANSFER OPTIONS:

- Arkansas Tech University to complete a Bachelor of Professional Studies.
- Designed to transfer to any Arkansas four-year university. The Arkansas Higher Education Coordinating Board has approved statewide articulation agreement to aid in transfer. The articulation agreement requires a grade of "C" or better in any transfer courses. Students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to Arkansas colleges and universities.
