AS: PSYCHOLOGY REQUIREMENTS		26

PROGRAM INFORMATION: The Associate of Science in Psychology degree is an articulated 2+2 with Southern Arkansas University (SAU). This degree is for a student who wants to earn a Bachelor of Science in Psychology. The first two years are completed at UA Cossatot and the last two years with SAU.

CAREER OPTIONS: The Associate of Science in Psychology degree is designed to transfer and therefore completion of the degree alone does not qualify students for any specific career; however, completion of an associate degree will improve overall employability and will make students eligible for employment opportunities that require an associate level degree.

TRANSFER OPTIONS:

- Southern Arkansas University (SAU) to complete a Bachelor of Science in Psychology.
- Arkansas Tech University to (ATU) complete a Bachelor of Professional Studies.
- If planning to transfer to an institution other than the ones listed above, students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to any Arkansas college or university.
