Your 2017–2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need correcting. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may request additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Verification of 2015 Income Information for Student Tax Filers

Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2015 or had a change in marital status after the end of the 2015 tax year on December 31, 2015.

Instructions: Complete this section if the student and spouse filed or will file a 2015 IRS income tax return. *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is necessary to verify 2015 income information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed.

Check the box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2015 IRS income tax return information into the student’s FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2015 IRS income tax return information into the student’s FAFSA once the 2015 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school a **2015 IRS Tax Return Transcript(s)**.

Must provide IRS Verification of Non-filing Letter

The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and spouse “will not file” and are not required to file a 2015 income tax return.

- The student and spouse were not employed; nor had earned income from work in 2015.
- The student and/or spouse were employed in 2015 and have listed below the names of all employers, the amount earned from each employer in 2015, and whether an IRS W-2 form is provided. [Provide copies of all 2015 IRS W-2 forms issued to the student and spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form.
If more space is needed, provide a separate page with the student’s name and ID number at the top.
