Additional Comments and Suggestions

11 substantive response(s)

1. I am satisfied with the education I received. It was a fast process.
2. Cossatot is a great college! I would recommend this college to anyone who is looking for a start. The financial programs, instructors and staff are all amazing. Thank you
3. I didn't take success strategies but i took Student success for medical education. And that course did actually help me learn some things before I got accepted to the nursing program. And Mrs Cooper taught it so she did a great job.
4. I don't have any additional comments
5. Maybe letting the students make suggestions in how they can do an assignment effectively in their own way and not the teachers way.
6. Overall, I was pleased with my experience at UA Cossatot!
7. No questions or suggestions!
8. The experience was amazing thank you for everything
9. Success Strategies course work needs updated! The videos are outdated.
10. Buying more equipment for industrial maintenance especially for the locksberg campus and more options for snacks and food like dequeen.
11. My advisor was awesome throughout my 2 years at UA Cossatot, helped in any way she could or pointed me in the right direction, and always responded to my emails super quick. As well as all of my instructors. They always responded in a timely manner and gave plenty of resources to assure an A was possible in the course if you did the work and used the sources given.
