

POSITION ANNOUNCEMENT
Cybersecurity/Computer Science Instructor
(Full-Time, 9-Month Faculty/Renews Annually)

RESPONSIBILITIES INCLUDE

The Cybersecurity/Computer Science Instructor will teach a combination of at least five in-person and/or online courses per semester; develop curriculum and instructional materials for courses as needed; evaluate student performance by following UAC's assessment plan; engage with business and industry representatives; facilitate and maintain relationships with other colleges within the CyberLearn consortium; partner with the Department of Workforce Development to offer non-credit industry certification training; attend recruiting events; and will be required to travel.

REQUIREMENTS

- Bachelor's degree in cybersecurity, computer science, or related field.
- In-field certifications and work experience.
- 5+ years of industry or field experience preferred.
- Previous teaching experience preferred.

ANNUAL SALARY

\$50,000 to \$58,000 range, depending on education and experience

All applications must include a cover letter, an updated resume, copies of certifications held (if any), and unofficial transcripts. Applications received without the required documents will be incomplete and will not be considered for the position.

DEADLINE FOR APPLICATIONS

Open until qualified applicant is selected with interviews being conducted as qualified candidates apply

FOR OUTSIDE APPLICANTS TO APPLY:

Go to www.cccua.edu, select the "About" link, select "Employment Opportunities", then select "View Available Jobs – External Applicants" link to see all current position postings.
