14½ Training Days | 145 clock hours
1-Hour Lunch Each Day

In the event of inclement weather or other unforeseeable circumstances, make-up instruction may occur beyond the published end date including Fridays.

* Students may choose one of the following options for participating in the graduation ceremony: 1) **Pre-Completion Participation**: With instructor approval, students who are nearing completion of their program may participate in the commencement ceremony prior to officially finishing their coursework. 2) **Post-Completion Participation**: Students may also opt to participate in the commencement ceremony following program completion. Please note that participation in the graduation ceremony does not equate to official program completion. Certificates of completion are issued after all academic requirements have been fulfilled and verified.
