Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need correcting. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may request additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Full Name	Age	Relationship	

Please check the box(es) below that describes the tax filing status on the FAFSA for the student, spouse (if applicable), and each parent(s) (if applicable).
Ex: If student is independent and single, check one box for student. If student is married, check one box for student and one box for spouse. If student is dependent, check one box for student and one or two boxes for parent(s), depending on their marital status

	Student	Spouse	Parent 1	Parent 2
With my consent and approval; my 2023 federal tax information (FTI) was transferred to my FAFSA via Future Act Direct Data Exchange (FA-DDX)				
I was unable to use the FA-DDX and manually entered my income and tax data. I will submit a signed copy of my 2023 tax return and any other required W-2s/schedules. (Due to current marital status).				
I worked in 2023 but did not (and was not required to) file a 2023 tax return. If checked; (Please complete the chart below).				
I was not employed and had no income earned from work in 2023.				

If you worked in 2023, but did not file taxes:

List every employer, even if the employer did not issue an IRS W-2 form. Provide copies of all 2023 IRS W-2 forms issued. If more space is needed, provide a separate page with the student's name and ID number at the top.

Employee's Name	Employer's Name	Annual Amount Earned in 2023	IRS W-2 or Equivalent Document Provided?
<i>Student/Spouse or Parent's Name</i>	<i>(Example) Suzy's Auto Body Shop</i>	<i>\$4,500.00</i>	<i>Yes</i>

- An equivalent document to a W-2 form is any document that shows the amount of income earned from work and the amount of taxes withheld, such as a pay stub or an earnings statement. If you are self-employed, you may need to provide a signed statement certifying the amount of your Adjusted Gross Income (AGI) and the U.S. income tax paid for the applicable tax year.
- If your employer paid you in cash, you still need to report the income.

*** An IRS Verification of Non-filing Letter or other confirmation of non-filing is only required when verifying income earned from work for a nontax filer who would file a tax return with a tax authority **other** than the Internal Revenue Service (IRS).

____ Check here if a non-filing letter is provided.

____ Check here if a non-filing letter will be provided later.
